Camp Erdman Day Camp Newsletter

Week 6: July 8th- 12th

Weekly Theme: Power of Squads

JUMPING FOR JOY

It is no surprise that out of all the activities Camp Erdman has to offer, Gaga Ball takes the number one spot for favorite activity amongst our campers. Gaga ball can best be defined as a fast-paced, high-energy sport played in an octagonal pit. It is often compared to a kinder, gentler version of dodgeball, utilizing a soft foam ball. The game is mixed with skills of dodging, striking, running, and jumping (captured in the picture above) while trying to hit opponents with the ball below the knees. The orange dust, or what we refer to as the infamous "gaga tan," is also a testament to how dedicated our campers are to using up any spare time to play the game. Keeping that in mind, having your campers dress in clothes they can play and get dirty in is what camp is all about! As we say here at Camp Erdman, "Meet you in the pit!"

GENERAL INFO

Where do I drop-off and pick-up my camper?

- Drop-off and pick-up occurs in the parking lot across the street from main camp. You will see a table on the sidewalk where check-in occurs every morning from 8:30am- 9am and check-out occurs every afternoon from 4pm-4:30pm. Please have I.D. ready upon pick-up.

What do I do if I have to check-out my camper early from camp?

- Please check-in with your I.D. at the Marques front office (blue building located right as you enter) and office staff will inform Day Camp Director to assist in releasing your camper for the day.

What days does Day Camp swim?

- Monday- Wednesday we have free swim scheduled at the pool every morning right before lunch. On Friday's we have a beach party, so swim suits and a towel are encouraged to be packed if your camper would like to partake in the slip-n-slide, mini pool, and water games.

What are they filming at Camp Erdman?

- Camp Erdman is currently serving as a production set for the show Rescue HI- Surf, which is scheduled to be released September 1st on FOX Network. With the potential for the film crew to be on site, please be advised that check-in & check-out will still occur in the same parking lot, but the procedure may vary. Cones and yellow tape may utilized to create a roundabout on the days they are present. Please adhere to them for the safety of our guests and campers.
